Re: Description: POWTS COMPONENT MANUAL  
Manufacturer: RING INDUSTRIAL GROUP, LP  
Product Name: EZFLOW MOUND COMPONENT MANUAL  
Model Number(s): ver. August 20, 2007  
Product File No: 20080569

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. **This approval is valid until the end of DECEMBER 2012.**

This approval is contingent upon compliance with the following stipulation(s):

- Approval of this POWTS Component Manual is for recognition for designs of systems that are covered by this manual. Systems that are designed, installed and maintained in accordance with this manual will provide treatment and dispersal of domestic wastewater in conformance with s. Comm 83, Wis. Adm. Code.

This approval supersedes the approval issued on 12/12/2007 under product file number 20070426.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20070426.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

During the period that this product approval is in effect, it is the responsibility of the submitting party to inform Commerce of any changes to the contact information or an address change. **Renewals will be sent to the address of record.**

Sincerely,

Jean M. MacCubbin, CST
